

Detailed Kitchen Materials Questionnaire

Please fill in as completely as possible. If you don't have an opinion about an item or don't understand the implications of the choices, just skip the question or put a Question Mark. We'll talk about your answers at our next meeting. It will also be helpful if you differentiate between absolute requirement and "nice to have".

Please print out and fill in. Fax back to 301-891-3801.
